

A gathering of BGST students at Boon's place on Sat 24th to catch up with

DANIEL & JOULYN

as they depart on April 8th for Japan as Associate Missionaries with OMF. They are involved in supporting existing missionaries teams in the Kanto region around Tokyo with their youths outreach and church planting.

Please encourage and pray for them.....

- Their growth in their spiritual walk. They will find time to pray and read God's Word amidst hectic schedules.
- Good health and strengthening of their relationship as husband and wife.
- They will adapt well to culture and people. Good progress in their language studies during their 2 mths in Sapparo, so that they can communicate well with the Japanese.
- They will establish good rapport with the local church leaders, Christians and other missionaries. They will like-mindedness and harmony as they seek to do God's work
- God to empower them with courage and sensitivity as they serve among the church and youths. The Hearts and Minds of the people to be open to the gospel
